

International Member

Confederation of Chinese Metalforming Industry

1 Definition

Any company and institute, not registered at the industrial and commercial administration the P.R. of China, engaged in the production, research and development of solid- and sheet-metal formed parts or in supplying of material, equipment or services to the metalforming industry outside of the P. R. of China, is eligible to become an international member of Confederation of Chinese Metalforming Industry (CCMI).

2 Right and Interest

- 2.1 To obtain the information concerning Chinese end-users and suppliers.
- 2.2 To obtain the advice concerning cooperation and investment at Chinese market.
- 2.3 To have the priority to take part in the activities hosted by CCMI.
- 2.4 To be free of charge to get magazine published by CCMI.
- 2.5 To ask for any help for your business in Chinese market from CCMI.
- 2.6 Not to have vote.

3 Obligation

- 3.1 To observe all kinds of regulations made by CCMI.
- 3.2 To support any activities organized by CCMI for metalforming industry
- 3.3 To pay the due annually in time.

4 Application procedures

To join, company, institute or individual should complete the appropriate application form and return it to the CCMI secretariat, which will acknowledge the application. The board of directors will consider application. Should be received within 4 weeks, then application will be ratified by the secretariat. Once being the member of CCMI, the applicant should pay annual due in one month.

Refer to attached the CCMI International Membership Application Form

5 Annual due

The basic due is USD500 for companies with an annual turnover smaller than USD2, 000,000. For the companies larger than this, in addition to this basic due of USD500 there is an additional charge of USD25 for every USD1, 000,000 of turnover. The dues payment should be made one time before the end of March every year.

For the new international member company, the dues payment should be made from the year when it is approved to be an international membership.

6 Remark

CCMI will reserve the right to interpret the above items.
